

Food Fun Family... ...Fantastic!

Aah – you can't beat the flavours of America's old South-west at A Taste of Texas Café and Grill® in Cleveland.

It's the place where you will find all your favourite Tex-Mex meals. Whether you want sizzling char-grilled Texas-sized steaks, mouth-watering barbecue ribs or sensational fajitas and enchiladas, Jim Flynt and his team can satisfy your hunger.

And don't forget the garden-fresh salads, succulent Mexican garlic prawns and even the delicious appetisers – freshly made salsa, guacamole, nachos and chilli con queso (cheese dip).

All meals are served with plenty of old-fashioned, Texas-style hospitality. There's something for the whole family – at affordable prices too!

If there's still room (the servings are so big!), the perfect way to finish your meal is with a great coffee and one of the delicious desserts.

So many desserts to choose from – home-made pecan pie, warm buffalo brownie hot fudge sundae and Mexican apple empanada (a house speciality), to name just a few...

Of course, a visit to A Taste of Texas wouldn't be complete without tasting the best margaritas this side of the Rio Grande!

As well as the refreshing margaritas, another house speciality, A Taste of Texas has plenty of ice-cold beers including a good selection of imported Mexican cerveza.

Enjoy A Taste of Texas's unique, warm and inviting ambience with friends, family or work mates today!
